Miami Heat selects Prestige Medical Imaging

FORT LAUDERDALE, FL – June 19, 2018 – Prestige Medical Imaging (PMI) the largest independent provider of digital imaging technology and services for medical facilities, is pleased to announce that they have installed a State-of-the-Art Digital X-Ray System for the National Basketball Association's (NBA) Miami Heat at American Airlines Arena in downtown Miami.

The Miami Heat are trusting their most valuable assets, "Their Players" ... with the highest quality advanced digital imaging equipment installed and serviced by PMI. This technology is designed to quickly and accurately diagnose players.

"We are proud to partner with the NBA's Miami Heat and provide them with State-of-the-Art Digital X-Ray equipment. This technology ensures these world class athletes receive superior imaging quality during preliminary examinations," said Bill Haussmann PMI's CEO.

Bill added "With PMI already part of the vibrant South Florida community, we are very excited to be part of the Miami Heat family and honored to be supporting the organization." Prestige Medical Imaging has been known for its cutting-edge diagnostic and service technology and unparalleled attention to customer needs.
